

Pre-Training Checklist

What is a PPE?

The Preconception Peer Educator (PPE) program arms young women and men with tools to advocate for and raise awareness of the maternal-infant health crisis, as well as educate their peers about the importance of one's health and the impact of choices both now and in the future.

Want to become a PPE?

Start by reviewing the links below and check them off as you go. **Bring this signed and completed checklist to the statewide training.**

Step 1: Pre-Test

- Take the [Pre-Test](#)
