Semi-Annual and Annual Goals Report**

**INSTRUCTIONS FOR COMPLETING SBHC SEMI/ANNUAL GOALS REPORT—**

1. **SBHC Name:** Begin by filling in the name of the School-Based Health Center (SBHC) at the designated space provided on the form. Ensure the name is accurate and matches the official name of the SBHC.
2. **Date:** Fill in the date of submission for the report. This should reflect the date the report is being completed and submitted.
3. **Objectives:** The objectives section is where the SBHC outlines its goals and targets for the reporting period. Each objective should contribute to the overall improvement and effectiveness of the SBHC's services while fulfilling each of the listed 7 goals.
4. **Evaluation Metrics:** The evaluation portion of the report consists of the required metrics used to assess the progress and effectiveness of each SBHC. enter all Semi-Annual report metrics in the "Semi-Annual" columns and all the Annual report metrics in the "Annual" Column. The Annual Goals report should include the originally reported Semi-Annual Report numbers for comparison.
5. **Completion of Evaluation:** For each objective listed, provide a summary of the evaluation results based on the designated metrics. This may include numerical data, qualitative assessments (comments), and any relevant observations or insights gained during the reporting period. Evaluate whether each objective was met and to what extent, identifying areas of success and areas for improvement.
6. **Narrative Portion:** Utilize this section to provide additional insights into the completion of goals, objectives, and evaluations. Discuss challenges faced, lessons learned, and noteworthy achievements or milestones reached during the reporting period. Additionally, please share updates on how healthcare services are coordinated, suggestions for improvement, and insights into the center's involvement with the school community. Feel free to share any other relevant information that could assist in continuous efforts to improve services. Your contributions are highly appreciated.
7. **Submission:** Once the SBHC Semi/Annual Goals Report is completed, review it for accuracy and completeness. Ensure all required sections are filled out and that the information provided is clear and concise. Save the file with the fiscal year (FY##) followed by the SBHC name, report type, and "Goals Report." For example, if the fiscal year is 2024, the SBHC name is "Delmar," and it's a semi-annual report, the file should be saved as "FY24 Delmar Semi-Annual Goals Report."
